

DELEGATION TO THE EXECUTIVE DIRECTOR

Act 427 of 1973

Authority for implementing policy and the development of supporting procedures is delegated to the Executive Director.

1. All Board authority delegated to staff is delegated through the Executive Director, so that all authority and accountability of staff is considered to be within the authority and accountability of the Executive Director.
2. *Board Objectives* policies direct the Executive Director to achieve certain results; *Executive Director Limitations* policies constrain the Executive Director to act within Board adopted policies, legal requirements, and acceptable boundaries of prudence and ethics. With respect to *Board Objectives* and *Executive Director Limitations*, the Executive Director is authorized to establish further procedures, make decisions, and take actions provided they are consistent with Board policies.
3. The Board may change its policies, thereby shifting the boundary between the Board and the Executive Director domains. The Board and Executive Director will respect and support the parameters of delegation as they exist and as they may be changed in the future.
